

# The Gateway

## A Fellowship of Clean and Sober Panic Fans

Fall Tour 2005

Volume Number One

Issue Number One

## What is the Gateway?

The Gateway is a group of men and women who choose to experience Widespread Panic shows without the use of drugs or alcohol. The Gateway-WSP Yahoo Group was created to provide a vehicle of communication for like-minded Widespread Panic fans.

The Gateway is not affiliated with Alcoholics Anonymous, Narcotics Anonymous, the Panic or The Wharf Rats. The Gateway has absolutely no opinion on the issue of drugs and alcohol, and neither condemns or condones it. Our simple purpose is to provide support and information to those who seek the comfort and camaraderie of other clean and sober people at shows. The only requirement for membership is a desire to stay substance-free at shows. Though The Gateway consists primarily of those recovering from addiction, we are open to anyone who wishes to remain clean and sober at shows.

### Then and Now:

#### Robert K. - Alexandria, VA

**Then:** Unable to look at myself in the mirror, actively addicted and miserable, and completely unable to enjoy life.

**Now:** 3 ½ years sober, just bought a house and the happiest that I've ever been. I have a new appreciation for shows and the wonderful sober energy that the Gateway brings to WSP shows and my life.

#### Liza P. - St. Louis, MO

**Then:** Zero self-respect or self esteem. I treated myself like garbage and paid the price, ending up in many scary situations. No matter what I tried, I could not stop drinking and drugging.

**Now:** I've been clean and sober for just over 18 months and have started to see live music again. My life has changed SOOOO much for the better that I can't even begin to describe how grateful I am. See you in Savannah!

Last night I attended my first WSP show. It was my first show sober and it was an uplifting experience to say the least. Big up to Jason, Melanie, Robert, Dave and all the other people who were at the table. The gateway has giving me hope and that is something I never had much of when I was drinking and using. The show rocked as always and the cool thing is that I remember the set list had money in my pocket this morning and for once felt like part of the solution rather than part of the problem! Thanks to everyone who came before me to make this new found hope I have possible!!!
